MICHELIN

## LATITUDE SPORT

S.U.V., SUV

MICHELIN Latitude Sport is the reference tyre on Porsche Cayenne also chosen for many other high performance SUVs.

Dry handling

Derived from Michelin motorsport technology

Derived from Michelin motorsport technology

# Key benefits

## Michelin always aims to bring together multiple performances.

At MICHELIN, we continuously push safety, durability and fuel efficiency, and even more performances, all at the same time and with no trade-offs. That's what we mean by MICHELIN Total Performance, which has and will always be our difference on every tyre.

### Dry handling

Thanks to a specific SUV Sport construction Full width 0° BAZ cap ply extending into the shoulder, the 0° belt counteracts deformation resulting from higher speeds and loads Varied spacing 0° BAZ cap ply maximising the rubber in contact with the road, varied spacing distributes tread pressure evenly.

### Derived from Michelin motorsport technology

MICHELIN Latitude Sport fits the majority of the new Porsche Cayenne production.

### Derived from Michelin motorsport technology

Tread pattern and compound are derived directly from motorsport.

## Questions to ask your dealer

You will find below some helpful questions to ask your dealer :

- Are my current tyres the best tires for my vehicle?
- What are the best tyres that match my driving habits and my price?
- Can you give me a pricing tier of my tyre type with three choices?
- What is the mileage warranty (if any) of my new tyres?
- Is the tyre manufacturer highly reputable?

Please check with your local Michelin tyre dealer for pricing near you. Actual pricing may vary based on retailer, region, tyre size and other factors. Retailers are free to set individual prices.
